

**Welcome to the 2015 WJGA Season!** Jenn and I have committed to heading up District Three for another year! We look forward to some great golf at some great courses this year. This is an exciting year for golf in our area with the US Open happening right here in our District! Also, WJGA is offering four new events this year – please see the WJGA homepage for additional information. As always, our season can only be successful with the help of our volunteers. District Three has been blessed to have so many parents willing to help out at each tournament. We appreciate all you do, and look forward to the continued help! We are excited to see everyone again and to meet our new junior golfers!
